Assessment, Reporting & Examinations

The Boards specify very strict rules for the conduct of their examinations and non compliance with these rules results in its status as an Examination Centre being revoked. If a student uses unfair means or behaves improperly during an examination it is necessary for the school to inform the Board. This could lead to the cancellation of all the student's grades in all that year's examinations. We therefore follow the same rules and sanctions for our internal examinations as well.

All matters regarding entries for and the administration of CBSE Examinations should be referred to the Principal. The approximate dates for the examination period will be included in the school calendar and the detailed timetable given to the relevant group of students

and their parents as soon as the finaldate-sheet is received from the Examination Board.

Beyond Academics

birth of Navrachana Sports Academy in the year 2005.

Through a well chalked out programme, NSA caters to every sporting need of the child - like high class state of the art infrastructure & facilities, excellent National & International level coaching & providing ample opportunities to participate in the National & International events & competitions.

NAVRACHANA SPORTS
ACADEMY (NSA)

The Beginning......

In a life, heavily loaded with stress & tension, games & sports help to bring about the much required balance that helps in offsetting this mental & physical pressure on young people. But, the vital question in most educational set up is "whither sports"?

The Navrachana Education Society's futuristic vision to provide the best sports facilities to all children, led to the birth of Navrachana Sports Academy in CNSA SportAl life Programme) and CNSA SportAl life Programme

holistically through coaching clinics (NSA Sport4Life Programme) and through "high performance" coaching programmes. To teach life skills, especially empowering girls, through self defense training, to expose young sportspersons to various career opportunities that lie in sports and to create job opportunities for the youth and for sports enthusiasts.
