Educating - Empowering - Enlightening

YEAR BOOK 2023

A MESSAGE FROM THE CHAIRPERSON

My dear Students, Parents, Teachers

Thankfully, the year 2022-23 has turned out to be a quiet, uneventful and progressive year. After the dramatic uncertainty wrought by the onslaught of the COVID virus over 2020-2022, it was a heartening experience to settle down to the 'normal' functions of an exceptional school. We soon got back to our regular Sports, NIMUN, Annual Day, Valedictory, Outbound Tours, Trips around Town, and other co- and extra-curricular activities. In fact, we are amazed to see the renewed interest in Outdoor Sports shown by both students and parents. It has naturally reflected in so many of our students making their mark and bagging top spots in various sports competitions across the city, state, zone and national levels.

Our newly refurbished hostels for boys and girls have attracted so many applications that these are now at full capacity. Accordingly, we have organised exciting post-school programmes for them that help them with life-skills and personality development, and encourage their growth into mature and confident young persons.

We are very happy to inform you that last year we were up for the IB Inspection by their international committee and that we passed with flying colours! For a change, it was not students but the teachers and management that was 'appearing for the exam'!

Our school continues to move from strength to strength. We are now planning a new building as the pressure for admission grows since the Bhaili-Vasna-Gotri region has seen phenomenal growth in high-rise residential buildings, hospitals, shops and restaurants, banks and markets. We still remember those days when in 2005 we came here, bumping along a dirt-road to see the vast piece of land the Society had invested in, surrounded by fields on all sides and just the Priya Cinema building on the distant horizon. And we wondered if we had made the right decision – who would send their children to study in a school so far from the city? All of you, is the happy answer we receive each day.

Tejal Amin

A portrait of Theophane D'Souza, the principal, wearing glasses and a light-colored shirt, set against a background of green foliage.

A MESSAGE FROM THE PRINCIPAL

As we come to the end of another remarkable academic year, I am honored to address you all through the pages of our Yearbook 2022-23. I am filled with immense gratitude and admiration for your unwavering support and contributions throughout the year. Students, parents, teachers, and staff demonstrated unwavering commitment to learning and growth. It is this collective spirit that is celebrated through every page and face of the Yearbook 2022-23.

My heartfelt congratulations to our remarkable graduating class. Your accomplishments stand as a testament to your perseverance, dedication, and your resolute pursuit of excellence. As you embark on new frontiers, remember that NISV has equipped you with the knowledge, skills, attitudes, and values necessary to thrive in an ever-changing world. Embrace the opportunities that lie ahead, and never fail to "hold the door open" for others and yourself.

I would like to take this opportunity to express my sincere gratitude to the esteemed Board members, staff and faculty who have tirelessly ensured that learning remains joyful and meaningful.

It would be remiss of me not to acknowledge the immense positivity demonstrated by the parent community, led from the front by the PTA Executive committee. Your collective strength and support have been ever so encouraging.

One of the stand out points of the year was our focus on skill development. In the IB, our focus was the Approaches to Learning (ATL) Skills. In fact, our Programme Development Plan with ATL as its focus served as the fulcrum around which the curricular and co-curricular learning framework was organized. The NEP 2020 lays great emphasis on skill development so as to create a generation of skilled students ready to take up challenges and opportunities of the future. In the CBSE it has been our endeavour over the last year to create opportunities for skill development through vocational subjects, clubs, STEAM learning, and co-curricular activities.

As we embrace the future, we find ourselves standing on the threshold of immense possibilities. The advancements in artificial intelligence and technology, such as the ChatGPT phenomenon, have opened up new avenues for education and learning. However, with these opportunities come challenges. We must strike a balance between technological integration and the preservation of human connection and values. Let us utilize AI and technology as tools to enhance learning, foster critical thinking, and nurture creativity. Together, we can prepare our students to navigate the complex world they will inherit.

In conclusion, I extend my deepest gratitude to each and every one of you.

Ladies and gentlemen, boys and girls, presenting the Yearbook 2022-23. Cheers!

Theophane D'Souza

A MESSAGE FROM THE EDITORS

The year 22-23 seems to be the year with the most beginnings - A revelation for the current and future generations on the impact of the community on ourselves and our loved ones. COVID-19 pandemic is the main trigger to those new beginnings, filled with new hope for improving and learning from our mistakes. NISV in the year 22-23 is the epitome of restoration and recreation in our NISV community. Our annual concert, featuring the Navarasa or the "Nine Emotions" gave rise to an entirely new league for our NISV community in the future and opened up our students to further opportunities. Along with that, NISV has not held back in its full-fledged Teacher's Day celebration in addition to the otherwise annual funfair.

While keeping the struggles of transitioning from online to offline learning in mind, NISV has made a tremendous recovery from being able to remove our masks, to having collaborative events with the schools around. The editorial team of the year 22-23 finds it truly awe-inspiring

Esha Desai

IB

Chief Editor

to witness such a transition and is honored to display our joy through creative writing and monthly newsletters for our very own community. The editorial team would like to commemorate all the successes our school has encountered and wish the future years to be filled with the same enthusiasm. To end on a positive note, remember, "You get the best out of others when you give the best of yourself." - Harvey S. Firestone. At times, we will desire change but we forget that sometimes, we ourselves are the ticket to that change. So remember to strive for self-improvement, and you will see the change in others around you.

The year 2022-23 was a mosaic of events and celebrations like NIMUN XII, Annual Concert, Christmas, Funfair and to top it all off, the first ever outbound after COVID – 19. From the highs and the lows, the challenges and triumphs, every step of the journey has contributed to making the year nothing but memorable. We are certainly not the same individuals who had embarked on this journey. We have emerged stronger, wiser and more ready than ever to 'Be the Change'. Each page tells a different story. As you flip through the pages, you'll find snapshots of new friendships made, achievements unlocked and moments of pure joy that will remain etched in our hearts forever.

The editorial team proudly presents the yearbook of 22-23 which captures the very essence of our school life. As we welcome the new academic year ready for us with challenges, let us look back at the year with a sense of happiness that warms our hearts.

I would like to sign off with a quote by Eleanor Roosevelt – "The future belongs to those who believe in the beauty of their dreams".

A MESSAGE FROM THE PTA

During the first full year of offline classes post pandemic, the PTA also transitioned seamlessly from virtual to physical mode thus having more meaningful impact by collaborating closely with the Principal Theo Sir and all the teachers. These concerted efforts ensured a smooth resumption of in-person learning and the full-fledged revival of cherished school activities like the Garba and the Fun Fair. Witnessing the school community reunite and thrive was truly heartening ! Being the President of the PTA has been an honour and a privilege and an experience that I will truly cherish for the rest of my life.

- Jeetmanyu Vin (Outgoing President CBSE)

Being president of the school PTA committee evokes a mix of emotions. It's a role filled with pride, responsibility, and at times, a touch of anxiety. There's a sense of pride in representing the student body and advocating for their needs and concerns. It's an honor to be entrusted with this leadership position. The feeling of making a positive impact on the school community and contributing to its growth and improvement is immensely rewarding. In essence, being president of the school PTA committee is a rollercoaster of emotions, balancing the thrill of achievement with the weight of responsibility.

- Hanova Parabia (Incoming President CBSE)

IB

As the PTA President of Navrachana International School (NISV), I embraced a unique role that intertwined my personal journey as a former student and a parent within the same institution. Championing the voices of parents and students alike, I facilitated meaningful interactions, orchestrated engaging events, and maintained a strong teacher-parent synergy. This immersive experience allowed me to share insights, propose innovative ideas and foster an environment conducive to holistic growth. Contributing to NISV's evolution has been a privilege, and I take pride in nurturing a collaborative spirit that enriches our educational community.

COORDINATOR'S MESSAGE

Jyoti Nagar
IB DP Coordinator

I am delighted to share the achievements that have shaped the year- beginning with the IBDP Results, followed by the Investiture Ceremony, NIMUN 12, the Annual Concert, and the Funfair.

The highlight of the year was the Student Exchange program with ISSR, Sweden when five of their students and two teachers visited our school and later five of our students and Ms. Minal Shah visited ISSR, fostering global understanding.

Our commitment to excellence is reflected in the IBDP Evaluation report that acknowledges our adherence to IB standards and practices. As Phil Jackson said, "The strength of the team is each individual member. The strength of each member is the team."

"There is always one more thing to learn," said Steve Jobs. True to his words, being an educator has taught me new lessons everyday from every teacher and student I was associated with. Be it regular academic routine or the various events at school, there was meaningful learning happening for teachers and students. The continuous professional development for teachers and the various scholastic and co scholastic opportunities for students to excel in provided all of us with avenues for growth.

The year 2022-23 was also special since the school, for the third time went in for the IB Continuum evaluation visit. The whole school fraternity collaboratively worked towards a successful visit that resulted in an excellent IB report that validated the school's hard work and dedication in implementing the IB programs. Such validations motivates us to work harder for the students.

My heartfelt thanks to all the stakeholders for working in unison for a successful academic year. My special thanks to the school's management for their constant support and guidance.

Srilakshmi Devi
IB MYP Coordinator

The year 2022-23 was a year of collaboration, meetings and sharing sessions with the entire IB team of staff and Coordinators as we were all gearing up for the upcoming IB 3 programme Evaluation in the month of October.

Our Programme Development Plan that focused on developing the ATLs or Approaches to Learning helped us relook and reframe some of our practices and policies.

All the stake holders were involved in the evaluation process where we got an opportunity to share and discuss our practices and policies in the PYP. The evaluators were very happy to see that all our PYP staff and students implemented the PYP Standards set by the IB to perfection. They interacted with the PYP students and were very impressed to see how articulate, well informed and knowledgeable our students are. We received a very positive report from the IB which has motivated us to continue with our good work.

This year's PYP Exhibition saw a variety of topics selected by the students. This gave them ownership and joy to work towards their interest and passion. The final product was a spectacular presentation of students' research findings in the form of speeches, power point presentations, movie making, dances, drama, art display, charts and models.

Viraaj Jhaveri
IB PYP Coordinator

COORDINATORS' MESSAGE

Dr. Ritu Shukla
Assit. Coordinator IB DP

BB King rightly said, “Beautiful thing about learning is that no one can take it away from you.”

This year, our students have exemplified the core values of the IB learner profile. Our teachers have been unwavering in their commitment to fostering a passion for learning, inspiring our students to embrace challenges and new opportunities. Our students have made us proud of their accomplishments in various co-curricular activities and sports events. Through participation in these endeavors, our students have learnt the importance of teamwork, leadership and perseverance, honing skills that extend beyond the classroom.

Focus on the journey, not the destination was our Goal for the year 2022-23.

Learning is the process of constantly updating in an ever changing world. This principle became more relevant post covid, where developing various skills which are also called approaches to learning, was the key focus in the academic year 2022-23.

Students in the PYP were provided ample opportunities through a variety of learning engagements to develop various skills like communication, thinking, research, social and self- management skills. In doing so we saw the students emerge as confident, curious, courageous and creative individuals in their learning journey, which was very satisfying for all of us.

Through Play based Learning in the early years students explored various concepts in math, language and the unit of inquiry making learning fun and interesting.

The 2022 Pre- Primary Annual Concert “Nayi Peedhi Nayi Soch” saw the enthusiastic and confident little ones up on the stage who gave their best shot making it a successful event as parents thoroughly enjoyed the show.

Purna Ganesh
Assit. Coordinator IB PYP

Hussain Kagalwala
CBSE Higher Secondary Incharge

This year has been abundant with learning and advancement for our CBSE Higher Secondary students, who have exhibited exemplary competence in various realms of academics, sports and co-curricular activities. I laud all the students for their achievements and pursuits, especially the Class 12 students who have delivered excellent board results and earned our admiration. I hope this compilation of memories will be a treasured keepsake of their odyssey at our school and motivate them to follow their ambitions and interests in the future. I am beholden to the teachers, parents and staff for being the luminaries and benefactors for our students in their quest of attaining their aspirations and surmounting their impediments.

COORDINATOR'S MESSAGE

Anagha Pathak
CBSE Coordinator

NISV has once again demonstrated outstanding performance in the CBSE board examinations. The diligent efforts of our students and the guidance provided by our dedicated teachers have resulted in an overall 100 % pass percentage. 14 / 52 students secured overall and subject-wise distinctions. This year we hosted two seasons of MATHMANIA -7, which were appreciated by invited guests, math teachers and Principals from more than 22 schools. Kudos to my entire team of teachers. I would like to extend my heartfelt gratitude to each member of the faculty and staff for their unwavering dedication and hard work in making this academic year a success. I also want to express my appreciation to our supportive parents and guardians for their trust and cooperation in our endeavors. As we reflect on the accomplishments of the past year, let us look forward to the challenges and opportunities that the next academic year will bring. With our collective efforts and commitment to excellence, I am confident that we will continue to inspire and empower our students to reach greater heights.

The academic year 2022-23 was notable for academic excellence, well-organized school events and activities. It has always been our endeavour to provide value oriented learning opportunities that cultivate the mind, enrich the lives of our students and prepare them to meet the challenges of tomorrow.

Various academic enrichment programs like Open Door Mastery assessments, Math Buddy and STEAM learning ensure that learning is an active and engaging process.

The CBSE results of 2022-23 testifies the dedication of our students and the relentless efforts and commitment of the teachers.

Rashmi Ravindranath
Assit. Coordinator CBSE (Grades 5-8)

The year 2022-23 was the year of bridging the learning gaps that cropped up over a span of two years. It required urgent action to address the learning gaps and ensure smooth and continued educational pathways for all learners. The focus was to plan it well which was done by a SWOT analysis. The introduction of several initiatives - from reshaping curriculum and pedagogy to ensuring return to classroom is smooth sailing for students. Apart from the academics, the Inter House Activities, the class presentations of grades 1 to 4 were appreciated by all.

Ritika Nagpal
Assit. Coordinator CBSE (Grades 1-4)

COORDINATOR'S MESSAGE

Pawan Rai
Sports Coordinator

Physical education is a vital component of a well-rounded education. It holds significant importance for individuals and society as a whole by promoting physical and mental well-being, developing essential life skills, and contributing to a healthier and more active population.

After a long period of uncertainties due to COVID, the year 2022-23 started on time with a lot of lingering doubts. However, it went off smoothly with the co-operation of everyone. The school undertook revamping of Boys' toilets. We also finalized the contract for revamping the electrical system with an additional transformer to change the air conditioning system in the school. It is a huge task requiring a lot of time. The work is still under progress.

Each year is a fresh beginning that heralds new thoughts and ideas.

It was my proud privilege having been appointed as the Head of English department and got the pleasure of working with an enthusiastic team of English teachers.

Every departmental meeting gave birth to new and fresh ideas for all literary activities, from subject enrichments to multiple assessments, from in-house competitions to inter-house competitions. The monthly newsletter, a journey with Kairo's Khabar has kept the literary zeal in me alive.

Thank you team for your support!

The English department of NISV has been continuously building up its strength in a display of unyielding dedication and passion to nurture students' literary and language proficiency in innovative ways by simulating vibrant discussions, insightful analyses, and creative expressions that have expanded the students' horizons and challenged their critical thinking skills. This year was a testament to the incredible journey of both the mentors and the students who dived deep into the world of academic and creative brilliance, winning accolades for their expertise and mastery, demonstrated in the many contests and expressions evidenced in these very pages of the year book. Let us spearhead with a resolve to continue in the same vein by exploring the limitless possibilities that lie ahead.

The math department continues to work in collaboration to impart the best learning experiences to the students. The year was marked by numerous interesting activities planned by the teachers. To name a few - PYP year 5 students got an opportunity to step into the shoes of their mentors while explaining math concepts to their peers, MYP year 2 students put up an exhibition where they demonstrated how architecture and geometry are interlinked and the DP students came up with some excellent presentations, linking Mathematics and Theory of Knowledge, as a part of the Youth Fest. Looking forward to yet another year filled with enriching experiences.

In my role as the Head of the Mathematics Department, I led with a passion for fostering mathematical curiosity and proficiency among students. From being part of "Mathemania," an exhilarating inter-school mathematics competition, I had the privilege of working with an enthusiastic team of Math teachers. Mathemania attracted participants from diverse backgrounds, igniting their passion for math and critical thinking. Witnessing students enthusiastically collaborate, solve intricate problems, and celebrate mathematical achievements was truly inspiring. Looking forward to your constant support and cooperation.

The full time offline classes served to facilitate a better connectivity between theory and practical for the deliverance of sciences. The roaring success of the MYP Science Carnival brought all the stake holders asking for more. The creativity in design, the flowing of ideas and the prefect presentation during the event exhibited strong ATL skills among the learners. The Science Labs remained a favorite get away for students to strengthen their investigation skills. Each Science Teacher remained enthusiastic to guide the students with respective criteria and Learner profile attribute. I remain in deep gratitude to the integrity displayed and motivating team spirit. Well done team!!!...

A year has rolled by and the responsibility of being the head of a Science Department, CBSE has been very challenging. Nevertheless, every challenge brings about a new set of learning experiences. My team of teachers are quite learned and experienced in their respective fields. Together, each classroom activity, Science projects, Open Door have added to fun element while transacting scientific knowledge to our students. The Science Day celebration at school was a feather in the cap. Another feather in the cap was the selection of Science Project for CBSE Science Exhibition 22-23, National Level. Dev Maniar and Sidhant Vora worked soulfully for the same. So I cherish every moment having worked as a team.

The year 2022-23 saw the group being involved in a lot of activities. Class activities like model making, Group Presentations etc. kept on happening like every year which help the students demonstrate their understanding of the subject. The Department led the MYP conclave with Ms. Payal Kamanpure spearheading the entire event. It was appreciated by the visiting ISSR team. The students of MYP 3 trained the juniors for the event. It was based on SDG's 11 – Sustainable cities. NIMUN 12, led by Dr. Divya Chauhan was a big success. It was supported by other members of the department as well. It was attended by many schools from in and around Vadodara.

The world belongs to humanity.....
The department of humanities continuously works to cherish the ultimate goal of inculcating love and compassion among the youth of today.
This year our students participated in various inter school and intra school events like Film Making, MUN, Lok Sabha, debates and heritage quiz competitions and bagged many prizes.
The field trips, workshops and exhibitions gave a boost to interdisciplinary learning and brought enriching experiences.
Hope to achieve many more laurels in the coming years.

Modern and Foreign Languages

Dilip Sharma
B.Sc., PGDM,
M.A. (German),
HOD (IB)

Anupam Giri
M.A. (Hindi),
B.Ed.
HOD (CBSE)

It has been a truly enriching and successful year for the foreign language department. Our students have achieved fantastic results, demonstrating their dedication and passion for language learning. We witnessed the vibrant celebration of German Day, where students showcased their talent through engaging activities. Many students excelled in the International Certification Exam for proficiency in the German Language, conducted by Goethe Institut, earning commendable scores. The inaugural NISV Youth Fest organized by IBDP featured captivating cultural themes from the target culture, presented by our talented students. The students' exchange program with a French school in France was a great success, fostering cultural understanding.

Hindi, our national language, is not just a subject in our curriculum; it is the essence of our cultural heritage and a reflection of our identity. As the Head of the Hindi Department, I envision a nurturing and vibrant environment in which our students not only learn the language but also imbibe the beauty of Hindi literature, poetry and art. We celebrated Hindi Diwas in school where students gave hand-made bookmarks to all staff members and requested each one of them to sign in the National Language. The Chairperson NES and the Principal also signed in Hindi and students were thrilled to see them doing so. To commemorate Hindi Diwas, an Inter-house Street play competition was organised in Hindi, theme – environment conservation, which was enjoyed by everyone. We will encourage students to learn multiple languages, broadening their horizons and fostering a spirit of inclusivity.

As technology continues to evolve, our curriculum must also adapt to keep up with the latest trends. In recent years, we have seen a growing interest in the field of Artificial Intelligence (AI). Last year, our teachers began to explore this topic, and this year we have included it in our curriculum in higher secondary section as well. To support our teachers in their teaching of AI, we have equipped our computer labs with the latest software and tools. Throughout the year, we have seen our students grow and develop in countless ways. They have embraced the joy of learning and discovered their unique strengths and passions.

In conclusion, our curriculum has adapted to the latest trends in technology, and we are proud to offer our students an education that is relevant and engaging. We believe that by incorporating AI into our curriculum, we are preparing our students for a future that is increasingly driven by technology and innovation.

It was an exciting year with a lot of successful events held in school after the pandemic. The students executed excellently in the events, inter-house activities, various competitions, and the school's Annual concert "Kaleidoscope". The Annual concert displayed the nine emotions through dance, drama, and music woven together. The 100% participation of the students made it a huge success. Their performances were admired by the audience.

This year, the PE department has been instrumental in providing students with valuable opportunities for growth. They've engaged students in a diverse array of competitions and tournaments, spanning from the national level to state meets. These events have not only enriched their physical abilities but also fostered essential qualities like sportsmanship, teamwork, and discipline.

Furthermore, the department took it a step further by organizing both national and state-level events. This demonstrates their commitment to instilling a culture of excellence and physical fitness among the students. These events not only encourage healthy competition but also promote a sense of pride and achievement, enhancing the overall educational experience.

In this way, physical education continues to be a pillar of holistic development within the educational system, nurturing not only healthier bodies but also well-rounded, capable individuals who contribute positively to the betterment of society.

INVESTITURE CEREMONY

The Investiture Ceremony at Navrachana International School, Vadodara, marks a significant milestone in our academic year. With great pride, we select Council Members from Grades 5 to 11 who have demonstrated exceptional dedication and integrity. These students have wholeheartedly embraced their responsibilities, serving our school community with utmost sincerity and dignity. NISV commends their outstanding efforts, as they exemplify the values we strive to instil in our students. The Investiture Ceremony is a testament to the collective achievements of our young leaders, and we take immense pride in their accomplishments.

HOUSE OF NURTURES

With immense pride, Nurturers House emerged as the Champion in 2022-23. Our athletes showcased their brilliance in various disciplines, securing 1st position in 4x100m relay, high jump, and the 200m race. We excelled in the Poetry Competition and IT HA Quiz, claiming 1st position. Our spirit shone as we clinched victories in Inter house Basketball and Table Tennis. Nurturers' talent shone bright with 2nd and 3rd positions in several events, including Inter house Football and Debate. Together, we displayed exceptional talent and teamwork, making us the Champion House this year!

Mr. Dilip Sharma-House In Charge (IB)

Inter-house activities create a strong sense of belonging and identity among students. The past year 22-23 had been filled with exciting competitions, collaborative efforts, and outstanding achievements by all House members. Congratulations to Nurturer's House for winning the overall Champion House trophy this year!

I am delighted to share that we secured the first position in the debate competition and movie making; thanks to the articulate arguments, persuasive skills and creativity of the participants.

The true essence of these competitions lies in the lessons learned, the friendships formed, and the personal growth experienced by our students. Together, we will continue to soar to greater heights, fostering an environment of learning and growth!

Ms. Anupam Giri-House In Charge (CBSE)

HOUSE OF INQUIRERS

The House of Inquirers has demonstrated a tremendous and enthusiastic effort throughout the year. The students, led by House Captains Samarth Dalvi and Vanshika Tripathi participated in a diverse range of competitions, from Debates & Talk Shows to Dances & Drama, all of which developed their skills as IB students, particularly demonstrating 'thinking, communicating' skills while being balanced. Winning and losing was always the part of game but learning and growing is what has to be focused.

We look forward to lot of success in future.

Ms. Ashwini Patange-House In Charge (IB)

Inter House activities of 2022-23 enthused grades 9-12 students and they came to life in an activity - Drama and movie making under the theme, 'Say yes to life and no to drugs'. The drama sent a profound message of substance abuse through captivating performances. Harsh Sarda of my house left the audience awestruck by his performance.

The intellectual prowess of the students also shone brightly in a riveting debate competition on the topic, 'Information and Technology - Boon or bane?' This competition fostered team building and strong bonding, showcasing their analytical acumen and communication skills.

Ms. Shilpi Kumar-House In Charge (CBSE)

HOUSE OF SEEKERS

The Seekers, true to their name, have relentlessly pursued knowledge, personal growth, and excellence, leaving an indelible mark on the school community. With red as our symbol of passion, determination, and vitality, we have endeavoured to ignite the fire within each Seeker, encouraging them to reach their full potential.

The sea of red during house events was a sight to behold, with every Seeker proudly displaying their commitment to the cause. From inter-house competitions to sports events, the Seekers consistently displayed their unwavering spirit, motivating and cheering each other on.

May the red flame of Seekers House burn brightly, lighting the path for all those who seek knowledge, growth, and success.

Ms. Sampada Bhugra-House In charge (IB)

The academic year 22-23 had been a productive and eventful one and I am proud of the hard work and dedication shown by our house students.

The Inter house activities play a crucial role in their overall development, shaping them into well-rounded individuals with diverse skills and interests. The students participated in several inter-house competitions organised during the year and Seeker's House was the winner in Street play in both the categories - Grade 6-8 as well as for Grade 9 to 12. The creativity and acting skills they have displayed in Movie making and Drug Addiction skit was remarkable. One of the hallmarks of Seeker's House is the spirit of leadership and Sportsmanship displayed by our students on the ground. The captains and prefects have been exemplary in their roles, guiding and supporting their fellow housemates while embodying the values we hold here. Looking forward to yet another year filled with achievements and meaningful experiences.

Ms. Vandana Dalal-House In charge (CBSE)

HOUSE OF VENTURERS

The house of Venturers, led by the house captains Aashna Parikh and Kartik Sanghvi has consistently displayed a spirit of excellence and unity throughout the year. The team demonstrated academic prowess along with immense talent in various extracurricular activities including sports where joyous enthusiasm and encouraging the sportsmanship of the participants were at peak. Throughout the ups and downs, Venturers continues to set the bar high for the next set of batches and what makes this house special is the teamwork fostered with motivation for the younger classes to participate.

The achievements of Venturers stand out as a testament to the dedication, perseverance and passion for every member, making it an inspiration for the next batches to come.

Dr. Trushna Kapadia-House In charge (IB)

Every competition, every event brought new challenges and responsibilities. Venturers house faced every challenge with grit and courage because winning or losing never concerned us. Our sole aim was to do our best. Competitive zeal and indomitable will power were found to be truly alive in the students of the house who took strength from their ongoing spirit. This spirited endeavour of the students brought the house laurels in many fields.

Mr. Naimish Panda-House In charge (CBSE)

FIRST IMPRESSIONS

FIRST IMPRESSIONS

Each and every child of this batch was unique and special. We, together had an eventful year. We have laughed, played, learned new things and enriched our lives during this year. A super enthusiastic batch of students are now confident learners - a few inches taller and months wiser. My love and blessings to you all. Spread your wings and soar to new heights.

Inside the warm embrace of Nursery-A, a realm of exploration blossomed daily. Through interactive activities, tactile experiences, and immersive play, our students delved into a spectrum of ideas, kindling their curiosity and fostering a love for learning. During this whole year, curiosity nurtured and growth flourished. As educators, we undertook the journey of guiding our youngest learners towards foundational development, laying the groundwork for a bright educational path. Our best wishes to this wonderful lot of young and clever minds!

Each year brings new challenges, opportunities and experiences for us to facilitate the students who explore their world around them and nurture as life-long learners.

Prep Junior A was a bunch of enthusiastic, creative and energetic students who always demonstrated positive outlook towards learning. Throughout the journey this bunch of kids observed, learned, questioned, explored and experimented in and out of the school. It gave immense pleasure to witness their reading skills right from recognising the letters to reading 3-letter words and short sentences. They grew confident and independent by participating actively in different co-curricular events.

We wish you all the best for future endeavours as you progress in life. May you always continue to shine bright! Good luck!

The academic year 2022-23 in the Junior B class commenced with an atmosphere filled with laughter, excitement and a few nervous giggles. Within our classroom, there was a vibrant energy of exploration that permeated every corner. Looking back over the year, the students have created cherished memories while experiencing a year brimming with learning, exploration, and enjoyment. To our lovely students, we extend our gratitude, for teaching is a two-way street, where educators also find themselves on a continuous journey of learning. A fragment of each of your personalities, talents and contributions will forever remain intertwined with our teaching experiences.

Dear students....as you have progressed into new classrooms and embraced fresh encounters, always carry the invaluable lessons of kindness, curiosity, and determination that you imbibed. As we flip through the pages of this yearbook, may it serve as a poignant reminder of the enchanting moments, the unrestrained laughter and the limitless opportunities that graced our days in "Junior B."

Children undertook challenging activities with great energy level. It was an amazing year with wonderful students. The year was full of learning, laughter and development. We worked on a variety of domains including units of inquiry, language and numbers. Our learning journey provided opportunities to students to explore and demonstrate their creativity and other learner profiles. It was a challenge to work on developing routine, communication skills and social skills with students. We as a team worked and made the Sports Day, Annual Day, World Animal Day and other celebrations a successful achievement with our enthusiastic participation. We wish our students success as they travel further in their learning journey.

2022 has been an incredible year full of enjoyment, curiosity, questions, reflections and new learnings. It has been a journey of discovery both for you and for us and we can't be prouder of the progress you've made. We have witnessed your personal growth and seen you bloom into confident learners. Your curiosity and creativity have made you shine brightly and your unique perspectives and innovative ideas have added depth and enriched our homeroom discussions.

Remember that learning is a lifelong endeavour. Embrace your imagination and keep asking questions that will lead you to explore new horizons.

Each of you is a unique and valuable individual and we wish you the best for the future. Thank you for an unforgettable year and always know that each of you has a special place in our hearts.

Middle Row (L to R): Ms. Vandana Sharma, Auric Mandani, Aarya Sheth, Kabir Mundhra, Ishani Shah, Aashi Patel, Mithil Patel, Ms. Neha Sharma.

Bottom Row (L to R): Ms. Purna Ganesh, Nirvaan Mehta, Hrisha Joshi, Dhanvi Shah, Ms. Virraaj Jhaveri, Anika Parekh, Renny Patel, Tara Vora.

Prep Senior C students of 2022-23 were a set of independent communicators, who loved to find out and explore different areas to enhance their knowledge. They exhibited their creativity, imagination and innovativeness throughout the year through different learning engagements.

We discovered that they cared for their peers and were always very cooperative. They truly developed the profile of caring individuals in the class.

It was a memorable experience with this batch of students. Their cheerful faces set the tone for each day and it was a pleasure to mentor their learning journey. We wish them good luck and success in their lives.

PREP SENIOR E

Inquisitive, intelligent and affectionate was the batch of Prep Senior E, 2022-23. We, the grade tutors with our students had a joyous and enriching learning journey full of memories to be cherished. Mentoring this enthusiastic and active young minds and providing them with engaging and interesting learning experiences was equally challenging and a fulfilling task. Their thirst to know more and more kept us on our toes to plan and engage them in a meaningful way through various learning engagements. We wish our students take this journey to great heights and conquer huge milestones. Lots of love and good wishes!!!!

It was indeed a great pleasure to be a part of an exciting and enriching journey of development and growth of the kids. There was so much to learn throughout the process. The children were brimming with curiosity, energy and excitement from the first day they stepped into grade 1A till the ending of the programme. Their high spirits boosted us to work with even more enthusiasm and zeal to make their learning engagements challenging and innovative. The children eagerly looked forward to every unit and they participated actively, delivering a successful outcome. The most thrilling part was to contribute towards delivering inquiry based pedagogy. Towards the end of the year the children had enhanced their reading, communication, presentation, thinking and social skills, making them more confident and knowledgeable.

Finally, I would like to conclude that we as grade tutors and the students shared an everlasting and impactful academic year together.

This complete year of offline teaching after a 2-year gap was enriching and fulfilling as the students were very happy to be back to school in a physical environment. Students exhibited immense love for learning and demonstrated a lot of enthusiasm for each day's activities. Even the efforts by parents in taking initiative and looking for new ways to get involved in the child's learning ladder was commendable.

Teachers have a profound impact on students' lives in a variety of ways. This impact involves not only the teaching of particular academic skills, but as importantly, the fostering of self-esteem in students'. Our best wishes to all the students as they navigate the unknown path ahead and discover their own unique destiny.

"Education is what remains after one has forgotten what one has learned in school." The great scientist Albert Einstein, in this beautiful quote, sums up the value of education in a person's life.

This class of 2022-23, with their enthusiasm for learning, supported me to create an environment of gaining knowledge not only from books but, also from each other. As a grade tutor, I was privileged to be their mentor for a year, in their quest for self-development. I wish them good health and success for their bright future.

“The aim of education is not knowledge, but action.”

The students this year were a diverse blend of enthusiasm, curiosity and hard work. They participated very enthusiastically in all the learning engagements and were very keen to explore new units of inquiry addressed in the homeroom, with a lot of zeal and fervour. They were always ready to try new things and their curiosity kept on inspiring me as a tutor to make learning more challenging and fun for them. The students explored various concepts and ideas using their thinking and research skills, thus inculcating the profiles of inquirers, thinkers and communicators in them. As a grade tutor it was a pleasure watching them interact with each other in such an open minded manner and share their ideas freely. I wish them the best for their future endeavours.

"Nothing is permanent except change." - Heraclitus

Change is undeniably as crucial as it is challenging. I commend the students' adaptability in how they returned to a fully offline mode of education this year after a series of constant changes. Witnessing this exceptionally sincere and eager-to-learn batch of kids grow through the academic session has been a truly fulfilling experience as a teacher.

To quote Shakespeare: "We know what we are, but not what we may be".

I wish each and every one of you the very best.

Continue to explore your endless possibilities towards a future just as unique as you!!

As we turn the pages of another academic year, I find myself reflecting on the incredible journey I had shared with the grade 4B, batch of 2022-23. The last year has been a remarkable tapestry woven with threads of learning, growth, and unforgettable moments. These students have embraced challenges with determination, showing boundless potential within each young mind. Their passion for knowledge has been a driving force, inspiring them to explore new horizons, ask thought-provoking questions, and collaborate in ways that illuminate the beauty of teamwork. Therefore, we together celebrated not only the achievements but also the skills we built and friendships formed. May each student's story be one of continuous growth and positive impact. Let's remember that education is a lifelong journey and our time together is but a chapter in the book of our lives.

“Education is the key that unlocks the golden door to freedom.”
- George Washington Carver

The year has come to an end, leaving behind fond memories of the students of grade 4B. I witnessed a bunch of students with innate talents. They were at their best not only in academics but also in sports. Their enthusiasm and innocent mischief filled the classroom with cheer and life. Each child was special and talented. The class participated enthusiastically in all the activities and especially enjoyed being a part of all the events in the school. Developing such a group was always a happy moment and contributed to a strong bonding between the teacher and the pupil. I wish they grow leaps and bounds and independently secure a good future for themselves!

Good Luck everyone!

“There is no doubt that creativity is the most important human resource of all. Without creativity, there would be no progress, and we would be forever repeating the same patterns.” This quote by Edward de Bono makes a lot of sense for this batch of 2022-23, as they showed a positive spirit and joy to participate and exhibit their creative endeavours through writing articles, penning poems, creating comic strips and stories, and reaching the school community through their contributions in the newsletters consistently.

With a twinkle in their eyes, they turned classrooms into a place to experiment, discover, take risks, break rules, make mistakes, and grow. We loved them and will continue to do so. We remember the time spent with them and wish the best for them in their future endeavours.

The year 2022- 23 has come to an end in the wink of an eye, leaving behind fond memories of our grade. It was a delightful experience to be grade tutors of Grade 5B. It was mesmerizing...!! This grade comprised of a bunch of delightful and energetic students who were also expressive, affectionate and dynamic learners. The class participated enthusiastically in all the activities and especially enjoyed being a part of all the major events of the school. They learned how to communicate well and manage themselves effectively. They embraced different learning profiles and tackled challenges head-on, improving steadily in all subjects.

Despite initial struggles, their determination and hard work paid off. A highlight was their outstanding performance at the IB PYP exhibition, where they confidently presented their independent research.

They have matured into prudent yet keen learners, ready to be the change. Here's wishing them all the best from the bottom of our hearts. To conclude, we'll like to quote this for our students: "If opportunity doesn't knock, build a door."

Go get it; you have the talent and strength to create your own opportunities.

We wish them all the best for their future endeavors and hope they continue to keep up their high spirits.

“Do what you can, with what you have, where you are.” -Theodore Roosevelt

It is with a bittersweet sentiment that I reflect upon the remarkable journey we have undertaken in Grade 5A.

As we come to the close of our time together in Grade 5A, I can't help but feel a mix of emotions. This group of students has been something truly special. Throughout this academic year, I've had the privilege of watching them grow, learn and bond in ways that have left a deep impression. As we say goodbye to this batch, I'm filled with a sense of pride for all they've achieved. Their curiosity, hard work and the way they've supported each other have made this class one to remember.

I'm going to miss them all. I know they have a bright future ahead. I'm confident they'll go on to do amazing things. As I look forward to the next academic year, I'm excited for the challenges and opportunities it will bring. The memories and lessons from this group will stay with me as I move on.

Grade 5B CBSE

Like stars, the amazing class of 5th grade shone brightly with their creativity, unity, and eagerness to learn. Their imaginative ideas brought life to our lessons, and their strong bond created a wonderful sense of togetherness. Their enthusiasm for projects, class activities, and independent learning was truly commendable. Being their grade tutor was a privilege, as I not only witnessed their growth but also grew along with them, inspired by their journey. Wishing them a future full of magical adventures and endless possibilities!

“Education is the key to success and teachers make lasting impact in the lives of their students.”

- Solomon Ortiz

The journey with the batch of 22-23 was filled with happening moments. The moments were filled with laughter, learning and fun-filled time with kids especially at the outbound trip. I hope that as a teacher, I was able to create the curiosity and nurture the young minds towards a creative learning approach. I convey my best wishes to the batch as they have taken a step ahead in the middle-year program, embarking on the journey towards their future dreams.

As we wrap up our time together, I want to take a moment to reflect on this wonderful class. Throughout our journey, we've shared countless experiences, challenges, and triumphs. First and foremost, I want to commend all of you for your dedication and hard work. You've shown tremendous growth and resilience. In this class, we've developed an environment of collaboration and support. Remember that teamwork and empathy are invaluable traits that will serve you well beyond the walls of this classroom. Let us not forget the importance of embracing failure as a stepping stone towards success. Remember, it's okay to stumble and make mistakes; they are opportunities to learn and grow. Each setback you encounter is a chance to come back stronger, armed with newfound wisdom. Lastly, I want to remind you that you are capable of greatness. You have the potential to make a positive impact on the world, whether it's in your chosen career, your community, or in the lives of those around you. So aim high, stay determined and never lose sight of the incredible potential that lies within each one of you. I feel privileged to have been a part of your educational journey. Thank you for making this journey an unforgettable and rewarding experience. I have no doubt that you all will go on to achieve remarkable things. Congratulations and best of luck to each and every one of you!

The academic year 2022-23 was an incredible journey filled with learning, challenges and triumphs that have shaped you into the exceptional individual you are today. Always remember – “The awareness of our own strength makes us modest”. You as young adults should embrace your strengths with a sense of gratitude and modesty, avoiding arrogance or superiority.

Embrace curiosity and continue to explore new interests and passions. Be kind to yourselves and others, for kindness is a powerful force that can create a positive change.

Your mischievousness, your sense of humour and your ability to find joy in the little things have brought smiles to our faces even during the most challenging times.

Wish you all the success and happiness in the years to come. May your journey be filled with joy, adventure, and endless possibilities!

Grade 10A CBSE

"I never said it would be easy, I only said it would be worth it."

COVID was supposed to be gone, and with a batch of 26 students it all started with a great gusto. Turning from slackness to sincerity wasn't an easy task, yet with a combined effort from both sides, my grade 10A students finally made it to the finishing line. Memories of teaching - learning, disciplining, enjoying field trips, celebrating Children's Day, Navratri and so much more is all that has made it worth the patience.

I wish all my students the very best for their future goals!

“I am not sure, I have a style, all I know for sure is that, I don't want to look like everyone else.”

Truly, this batch of 29 students was all different, each in their own right and might.

It was a class full of sports enthusiasts, some avid readers, a few artists and a handful of academically inclined.

They were gregarious and talkative, making their presence felt inevitably in the long school corridors, basically fun-loving and living life in the moment.

No celebration, from Children's Day to movie show, field trips to Navratri - Garba night, would have been fun without them.

Memories of rigorous academic training in a classroom atmosphere to disciplining during the assembly were indeed a challenging experience.

But, the brave hearts are hopeful and so are their teachers about their smooth sailing in tenth board.

I wish my grade 10B students best of luck for all their future endeavours!

Grade Tutor

Chandrima Sen

Top Row (L to R) : Ved Sheth, Rudra Patel, Hamza Sunsara, Om Shrimali, Krishiv Patel, Pranjal Jadav , Riaan Shah & Sarthak Dodia.

IN RETROSPECT

When I first walked into the corridors of NISV, which now seems like a lifetime ago, it wasn't even as a student of this marvellous institution, but as a young football player of a different school who had come to participate in the Khel Mahakumbh.

I was immediately fascinated with the infrastructure and the students roaming around, dancing and playing instruments in the PA department, probably rehearsing for the upcoming annual concert.

Little did I know, that a little over a year later, I would be able to call myself a part of its diverse student body, and include myself in its myriad of activities and functions.

What I remember the most about my time at NISV, is definitely prepping for NIMUN, spending the entirety of the 11th grade organising various events, whether they were to raise money for social work or to organise a quiz or debate between the houses...

Practising our dances and scenes for weeks together before the annual concert, was fun and the excitement on the last day of the sports day when a little twist in events would change the entire decision of who would win the best house trophy, was unmatched.

I believe that as head girl, more so as part of the student body, it was my duty to give back to the institution which had given me so much. NISV gave me wings to fly, I went from a shy and timid girl to one who could easily stand in front of an assembly audience and deliver a speech, (which was probably written and edited minutes before its presentation!!) and for that, I shall be ever grateful to the teachers and peers who helped me navigate my way through the years.

NISV, Lets Fly!!

Saara Vin, Head Girl, CBSE 2023

I entered the halls of NISV in 2019 when I was in 9th standard. Being a new student who joined after mid-term I had jitters whether or not I would be able to adjust in a different environment but soon all my worries vanished when I met my classmates and teachers. My teachers provided me with a plethora of opportunities to excel and improve. We have enjoyed to the fullest as we attended extra classes of accountancy, prepared our project files and sat in the corridor preparing for the practical. I am now proud to call myself alumni of NISV and soon hope to implement the values instilled in me by the school.

Thank you

Nitya Agarwal – CBSE 2023

"School life has played a significant role in my life. It has helped me in exploring myself. Learning different things and experimenting with opportunities that came my way have helped me find out what I truly like and want to be.

Shaswat Shukla – CBSE 2023

The most memorable things I have learnt during my 11 years of schooling in this prestigious school, were to be independent, ambitious and sociable with others, to always be honest with your teachers, move out from your comfort zone, always look out for new opportunities, accept your mistakes, learn from your mistakes and lastly be happy in life. I would also like to take the opportunity to welcome the new comers. Hope you all will have a good experience studying in this school.

- Jagreeti Bansal – CBSE 2023

I joined NISV more than a decade ago, so I can positively say every aspect of my being has been influenced by the remarkable teachers, lifelong friendships and impeccable academic environment at NISV. These years have been so memorable for me because I've seen myself mirror the growth of my school to become more accepting. If there's one thing I'm going to miss most besides my DP years, it's the NISV kitchen food! I know that when I return to this place years later, it will be the same nurturing environment upheld by the students here!

- Dhriti Chokshi, Head Girl - IB 2023

Our two years of IBDP can't be summed up in a few lines. To give you a glimpse, I can say that it was undoubtedly chaotic, full of uncertainty, flooded with moments of celebration, and had a tiny tinge of sadness and frustration. But, the boring academic anticlimactic parts were short because we learned to find joy in every victory. We planned our school's first physical Garba after two years, initiated Mission Pondible, introduced Study Smart Clubs, spearheaded our in-person NIMUN XII conference... and the list continues. Though we endured constant academic suffering, these two years were enough to bring a class of 40 together, every step of the way.

- Taksh Shrivastava – Head Boy – IB 2023

IN RETROSPECT

Attending a school since the beginning of one's childhood is a remarkable journey that weaves lasting memories and fosters a sense of belonging. From those early days of wide-eyed wonder to the later years of discovery and growth, the school becomes a second home and a nurturing environment for learning. The familiar faces of teachers, the laughter shared with friends, and the support of the school community create an indelible bond. NISV has been the same for me. This school has become a part of my identity, leaving an indelible imprint on my journey through life and for that I'm forever grateful.

- Mishti Bohra – IB 2023

Over the past two years, I attended NISV which left a mark on my academic journey. The dedicated teachers and the faculty created a positive environment for everyone to enjoy learning. I thrived personally, discovering myself and my skills. Alongside school, enrolling in the boarding was a transforming and new experience for me. Living on campus helped me find my second family as we had late night conversations, movies and different sorts of adventures.

My time at NISV boarding was a chapter of my life that I will always treasure, as it shaped me into an open-minded and confident individual.

Misty Patel – IB 2023

Embracing Independence and Camaraderie in Boarding Life

Within the hallowed halls of our boarding school, boarders emerge as beacons of independence, showcasing a level of self-reliance beyond their years. They shoulder responsibility for their belongings, meticulously tackle tasks, and ingeniously craft solutions for life's challenges, honing their decision-making acumen.

The academic ambiance in our Boarding School is a cut above the rest. Here, students diligently complete their homework, driven by a shared commitment to excellence. In times of uncertainty, they lean on the wisdom of their seniors and the guidance of their teachers, creating an environment where mutual support is the norm.

Hostel life fosters an environment of effortless camaraderie. Our borders share a unique bond, living together, and constantly interacting. When the need arises, they offer a helping hand, maintaining a profound sense of brotherhood that is the hallmark of the boarding experience.

CAS – Being at the core of the IBDP program, CAS provides a platform for our IBDP students to pursue Creativity, physical Activities and community Service. With TECSO Global Foundation our students organised a Medical Camp that took place on 24/9/22 near Chotta Udaipur, to help unprivileged people. With 20 Microns Diabetes centre our students organised juvenile diabetics camp. Some of the students continued with the Mission Pondible project from where their seniors had left and made some efforts in connecting with the Bhayli villagers and children. With The Rotary club our students organised a project Pathshala in MunjMahuda. Along with story reading and a few lessons, they also distributed storybooks, indoor games & sweets.

Creativity

Tabla, Football, Video Editing, Photography, Playing Piano, Bharatnatyam, Poetry Writing, Cooking, Calligraphy

Activity

Basketball, Cricket, White Water Rafting, Cycling, Running, Yoga, Badminton.

Service

Khushiyon nu Kabat, Mission Pondible, Tecso Global Foundation, 20 Microns Diabetes care, Senior Citizens Society School for mentally challenged, Interact club of Baroda Sayajinagri, JCI Baroda Genius

COMMUNITY OUTREACH

“We are not put on this earth for ourselves, but are placed here for each other. If you are always there for others, then in time of need, someone will be there for you.”
- Jeff Warner

Social Outreach Programme

NGO partnerships :

- Robinhood
- Khushiyon nu Kabat
- Paathshala - A Computer System with Speaker was donated to Srotoshwini Trust of Paathshala Hostel.
- Kadjee - Old age home

Paathshala

Food Donation

Participation of students in various Campaigns:

Tree Plantation Drives – Kalp Taruh in association with Bramhkumari

Collection Drives:

- Book donation drive
- Grocery Kit donation
- Lagni Foundation – Food for the elderly
- Newspaper Collection
- Maya Care - Helping people with disabilities to learn different technologies
- Clothes donation
- Pop Up Bazaar – Was organized by Grade 5 CBSE students.

Mission Pondible: The project 'Mission Pondible' is a collective effort to enhance the biodiversity and ecosystem of Ambedkar Nagar, Bhayli. The Project involves a holistic approach to not just clean the pond but to also engage with and educate the residents of the area to ensure the sustainability of a healthy water body. Mission Pondible is an initiative that is a part of the CAS of the IB DP students at NISV. A corporate soccer tournament was held from 13th – 15th May 2022 at the school's football grounds.

World Earth Day - Drawing Competition

**HA Debate
Gr. 9-11**

**HA Quiz
Gr. 6-8**

This year our PYP students showed their creativity in things like Best out of Waste, Pencil Shading, Fancy Dress competitions, Poster making & Poem Recitation etc. They were quizzed in the GK quizzes and showed their collaboration in Group Folk Dance & Group Singing competitions. Our MYP students participated in the Poster making and hanging mobile competition on the theme of World Earth Day. Our MYP students were quizzed on the topics of Earth and Space while DP students participated in extempore and debates. The students were given the topic under Sustainable Development Goals. They were to prepare on 2-topics under SDG number 14 which is "Life below Water". The two topics were a) Reduce Marine Pollution and b) Sustainable Fishing.

ACROSS BORDERS STUDENT EXCHANGE PROGRAMME

“ ISSR,
Stockholm, Sweden
Students’
visit to NISV ”

The much awaited Annual Sports meet was held from 18th January to 20th January 2023, with great zeal, excitement and frolicsome atmosphere. The students entered into the spirit of the occasion in a grand way with the March past by grade VI to XI and oath being administered by the Sports captain. Drill performances by Grade I-III (Callisthenic and Zumba) and Flag Drill by Grade IV to V were there. Once the races began, the air was filled with cheering and tons of encouragement for the young athletes. On the third day (20th Jan 2023), Mr. Chaitanya Desai (MLA Akota), our Chief guest declared the proceeding open for the day. Students of classes 1 to 12 competed in events including sprints, relays, Obstacle race and Cycle race. We also had events for Parents and stakeholders. Overall Athletic Champion house was awarded to the Inquirers and the overall Champion Trophy was awarded to the Nurturer house.

Juhi Brambhat

of Grade 7 IB participated in an All India Go-Karting talent scouting race held in Ahmedabad and bagged the third place with the 3rd fastest lap timing of the event.

Saarim Siddiquie

of Grade 10B IB bagged the second place with the fastest lap timing of the All India Go-Karting talent & received a scholarship for racing events internationally held at Dubai and Singapore.

Shanaaya Patel

of Grade 4A-IB, was awarded the best goal keeper in Sansad Khel Spardha in the U-11 age category in the mix boys and girls team.

Vansh Modi, Ishaan Kulkarni and Soumya Joshi of Grade 8 CBSE participated in CBSE Nationals in Table Tennis at Peddapuram, Andhra Pradesh from 8th Jan -13th Jan 2023.

NISV U-17 IB Boys team stood 2nd Runnersup in 4th IBSO Basketball tournament, 2022 held at Navrachana International School Vadodara from 13th to 17th Oct. 2023.

NISV U-14 IB Girls team stood Runnersup in 4th IBSO Basketball tournament, 2022 held at Navrachana International School Vadodara from 13th to 17th Oct. 2023

NISV U-17 A team won the 3rd edition of Late Shri Parikshit Memorial 3V3 Basketball tournament 2023 held at Baroda Football Academy Gotri from 26th to 29th Jan 2023.

Arkit Ray was declared the best player of the tournament.

Two teams from NISV participated in the Vibgyor Summer Sports held at Vibgyor High Vadodara from 29th April to 2nd May. Both the teams reached the finals and took the title as well as the runners up position.

NISV youth boys team stood champions at Inter School Extra Marks football tournament and were selected to play West Zone at Ahmedabad on 21st and 22nd Jan 2023.

The NISV girls team stood runner-up at Inter School Nalanda cup football tournament. The tournament was played at Nalanda school on 20th and 24th Feb, 2023.

Shanaaya Patel awarded Best Goalkeeper

NISV U-12 boys team stood champions at Inter School Spectrum cup football tournament organized by Bright School on 7th Jan, 2022.
